RE: OrlanTech
Letter of Reference

To Whom It May Concern:

Avant Healthcare Professionals has worked with the staff at OrlanTech since I opened the office in Winter Park in October 2003. My staff and I have found the company to provide responsive and effective support for our IT needs. OrlanTech staff is often sent out on the same day as our call/request for support. When we experienced loss of our Internet connection, they were immediately available to troubleshoot the issue.

If you are considering companies for IT support, I would certainly recommend OrlanTech.

Sincerely,

Shari D. Sandifer
President
