To Whom It May Concern:

Orlantech has been our IT outsourced servicer for the past four years. During that time we have been impressed with their excellent service, knowledge, reliability and consistently positive attitude. Their response to our emergency calls is always prompt and courteous. Their technicians are professional, highly trained and display a level of competency that is difficult to find in their industry. I have been impressed with their integrity and commitment to follow through to solve every problem. They never fail to provide valuable timely advice regarding all of our IT issues.

I feel confident that Orlantech will meet your highest expectations. I highly recommend without hesitation their services for anyone requiring outsourced IT support. If you would like a further personal reference, please do not hesitate to give me a call at 407-774-5800 x 223.

Sincerely,
